## From The President's Desk

HELLO ALUMNI!

There's lots of stuff going on this year, not to mention all of the nor'easters that have hit us! First on the list is that the **Bensalem Alumni Association** has established a Veterans' Wall at the high school outside the newly renovated auditorium. The purpose of this wall is to recognize all of our graduates who served in the military. Right now, we have over 1,000 names on the wall. If you served in the military, please send me a copy of either your DD214 or Military ID and we will get your name on the list. We've planned a dedication on May 19, 2018 from 11 am to 1pm and hope to have many dignitaries to thank all of our vets—I hope to see you there! Special thanks goes to Wayne Lewis '62 for taking the lead on this project and getting it done.

Next up is the golf outing scheduled for June 13. See insert on page 2. We have been doing this since 1986, and it is always a great time. I hope you will join us this year, especially since all of the proceeds go to our scholarship fund.

As for the all-year reunion: we tried a few things to get it started, but in all honesty, they didn't work. So instead, this year we're going to have the all-year reunion on September 15 at the Pavilion which is on the Bensalem Township building grounds, near the Bensalem Historical Society. The event is free, though the Alumni Association will provide soft drinks. Bring your own food (and hopefully share a little!). Our goal is to get everyone together having a good time. The pavilion only holds 300, so maybe in a few years we can even fill it up!

The last thing to discuss is the "In Memory" list. As you may know, when alumni pass away, I try to put their obituaries on our website and Facebook page, and an emailed list is then generated and automatically sent out to all of you. I sometimes hear from alumni who want to be removed from these notification lists because they get too many alerts. Fortunately, a neat feature of our website is that you can completely control your notification settings! You can elect to receive emails daily, weekly, monthly, or not at all. You can change this by adjusting the settings in your account profile. I completely understand that for some, getting "In Memory" emails is tough. I also know that we have alumni living all over the world and that some people are glad to be made aware of the passing of an old friend so that they can show their respect to the family. This is not always the most enjoyable duty I perform for the Alumni Association, but I feel that is a necessary function to honor our Owls.

OK—see you guys around!
