

THE OWLMANAC

2026 Edition ❖ www.BensalemOwls.org

Meetings are held the second Tuesday of the Month at 6 PM.

From The President's Desk

by Ray Guim, '74

Welcome to our 2026 Newsletter. This year, we are proud to announce that we will award \$30,000 in scholarships to graduating seniors. Our committee is extremely proud of this accomplishment, and we wish all of our graduates continued success in the future.

As far as we know, there are very few non-private school alumni associations in our area that award scholarships at this level. That is a testament to you—our members—who have supported the association since 1986. While there may be larger alumni associations across the country, we continue striving to do more every year.

We raise funds primarily through events, dues, donations, sponsorships, endowments, and memorial contributions. Annual dues remain just \$12 per year, which includes receiving our annual newsletter. Our website is free for all alumni at www.BensalemOwls.org.

Recently, we have been researching other public-school alumni associations throughout our region and across the country. We have connected with several groups to exchange ideas about how to better serve our members and operate more efficiently. We even found someone writing a book on organizing reunions, so if you are considering planning a class reunion, let me know and I will gladly send you the information.

One thing we discovered is that while we believed we were among the largest alumni associations in the area outside of private schools, there are others doing remarkable things as well. Although we have over 900 members and award \$30,000 annually in scholarships, we found an association that awards a full four-year scholarship each year

and distributes more than \$200,000 annually in scholarships. That is truly impressive.

Many of these organizations have benefited from generous endowments and contributions from alumni. Some host picnics and alumni days, while others even maintain offices within their high schools. We are now

discussing ideas with several of these groups to help grow our association to an even higher level, with the ultimate goal of providing more scholarships to deserving students. We will continue to keep you updated on our progress.

By the numbers, we currently have records for 30,910 alumni dating back to 1925, along with 1,040 teachers listed on our website. Of these, 4,791 are included in our

“In Memory” section. More than 23% of our graduates have created profiles on our website, and we add over 500 new names each year with every graduating class.

Since 2008, our website has received 1,094,545 visitors.

That means nearly

25% of everyone who has ever attended Bensalem High School has taken the time to visit our site and create a profile. Among those, we now have over 900 dues-paying members. As you can see, membership support is a major part of how we fund scholarships. With your continued help in encouraging others to join and pay dues, we will be able to expand our scholarship opportunities even further.

Endowments are another important way we provide scholarships. If you would like to sponsor a scholarship in your own name, in honor of your family, or “In Memory” of someone special, we would be honored to recognize that contribution. We generally recommend a minimum of \$1,500 annually, but we are willing to work with whatever amount you feel comfortable contributing.

Sponsors also have the opportunity to review student essays in the spring and help select scholarship recipients. Once you begin reading these essays, you may find—just as we do—that every student deserves recognition.

Our 40th Anniversary!

The official newsletter of the Bensalem Alumni Association, Inc. ~ A non-profit 501(c)(3) corporation since 1986.

This year, we have decided to pause our annual golf outing so we can focus our efforts on the All-Class Reunion. The golf outing has been a wonderful event for many years, and I personally will miss seeing many of our regular participants. However, as times change, we believe concentrating on the All-Class Reunion will help us build a more inclusive and connected alumni community.

The All-Class Reunion will take place on September 26, 2026, at 1675 at The Ridges beginning at 2:00 PM. More information will be posted on our website and on our Facebook page!

Last year's event at 1675 was fantastic. One of the best things about attending is never knowing who you are going to reconnect with—a former classmate, neighbor, friend, or relative. Every conversation seems to uncover some shared connection or memory. My wife may say I talk too much already, but at these events, I find myself constantly discovering mutual friends, familiar places, and shared experiences. It truly is a great time.

Some graduating classes have even chosen to skip hosting individual reunions and instead encourage classmates to attend the All-Class Reunion together. It

makes planning much easier while also giving everyone the opportunity to reconnect with alumni from many different years. I hope you will join us as well.

We are also currently reviewing our records and searching for individuals listed in our "lost files." This is a major project that will take time to complete. At the moment, we have approximately 9,000 people on our "lost list." You can help by sending us the name or contact information of anyone who may be missing so we can invite them to reconnect through our website.

This year, we are honored to award a special "In Memorial" scholarship in memory of Linda Prindle Panuccio '72. Linda was an enormous part of our association for many years. She began as a committee member and quickly became our Treasurer. It would be impossible to count the many hours Linda and I spent discussing alumni business and planning for the future of the association. She was deeply appreciated and is greatly missed.

As many of you know, the Alumni Association installed a Veterans Wall in the high school outside the auditorium to honor alumni who served our country. Currently, we have approximately 1,710 veterans' names displayed on the wall. Our only requirement is that the veteran wishes to be included and provides some form of military identification.

When we first planned this project, we estimated there may have been approximately 2,100 alumni veterans, so

Our Scholarships Make A Difference!

THANK YOU!!

Dear Bensalem Alumni Association, May 2025

Since I have recently graduated with my Bachelor's of Science in Physics from Saint Joseph's University, I am feeling eternally grateful for having your support during my time there. Because of your generosity and receiving a scholarship from you as part of BHIS '21, I've been able to focus on my studies and complete four additional minors in English, math, Mandarin, and Asian Studies. I'm excited to say that I will be working in IT full-time before pursuing graduate school. I cannot thank you enough!

Shayna (Sit) Bucey ☺

we are getting close to filling the entire wall. If you know someone who served, please encourage them to submit their information so we can properly recognize and thank them for their service.

This year, Chris Weidman went above and beyond his duties as Treasurer by researching alumni records year by year from 1925 through 1948 and cross-checking military service records. This has been an enormous undertaking, and Chris continues moving through additional years. As we reach different military eras and conflicts, it becomes increasingly difficult to verify service through public records, but we remain committed to ensuring every deserving veteran is honored on the wall.

We are also working on obtaining professional photographs of the wall for our website. Because the brass plates are highly reflective, photographing them clearly has been challenging, but we hope to complete this project later this year.

As a reminder, newsletters are mailed only to dues-paying members. Membership dues run from January through December and remain \$12 annually.

There are many exciting changes taking place within the Bensalem Alumni Association this year — including updates to our Owl Clubs!

First, I would like to sincerely thank all of you who have supported Bensalem Alumni Scholarships through your contributions to the Owl Clubs. Your generosity and continued support have made a meaningful difference.

We are excited to announce our updated Owl Club levels:

- Gray Owl: \$25
- Blue Owl: \$50
- Bronze Owl: \$100
- Silver Owl: \$250
- Gold Owl: \$500
- Platinum Owl: \$1,000+
- Diamond Owl Scholarship Endowment (*contact Ray for more information*)

These updated levels will allow us to continue growing our scholarship program and expanding support for future graduates while recognizing the generosity of our alumni and supporters.

In addition, we maintain a Facebook page dedicated primarily to announcements and memorial notices. Nearly 5,000 people follow the page. While we work hard to keep hackers and spam accounts away, some still occasionally get through. Social media remains one of the easiest ways to stay informed about alumni news and events, so we encourage you to check it out.

For now, that wraps up this edition of the newsletter. Be sure to visit our

website regularly to stay updated on everything happening within the Alumni Association.

We Need YOU!

Founded in 1986, the Bensalem Alumni Association, Inc. is a 501(c)(3) non-profit, independent organization directed by a volunteer board. Our mission is to award scholarships to deserving Bensalem High School seniors. In June 2026, we awarded \$30,000 in scholarships to 14 worthy recipients.

To help fulfill this mission, we host our All Class Reunion each year. This year's reunion will be held on September 26, 2026

In addition to dues and donations from fellow alumni, and endowments, our organization raises funds through sponsorships. In appreciation of our sponsors' generous support, we proudly display sponsors logos at the All-Class Reunion and at school functions attended by the Alumni Association, including class reunions, high school graduations and other special events. Sponsors are also featured on our website (Bensalemowls.org) and included in our annual newsletter.

All donations and sponsorships are fully tax-deductible. We believe that when businesses and individuals support us, we should support them in return.

General sponsorships are \$150 per year. Sponsorships may also be made in memory of loved ones, including fellow classmates, friends or relatives.

To become a sponsor, please make your check payable to Bensalem Alumni Association, Inc, and mail your check to our address listed on the back page. Please email your logo to: rayguim@rayguim.com. Thank you very much for your generosity and support.
