

THE OWLMANAC

Spring 2024 ❖ www.BensalemOwls.org
Meetings are held the second Tuesday of the Month at 6 PM.

From The President's Desk

by Ray Guim, '74

It was another great year. This past year we gave out \$22,000 to 12 graduating seniors. The kids do appreciate the help that they are given. The selection process we use to pick the winners is either need or achievement. Some kids just need a little help to get started; others really did something remarkable with their time at BHS. We hope that after they raise their kids, they'll come back and help us out. It would be nice to see this Association go on for another 36 years.

Last year we had our golf outing on June 14, 2023 at Bensalem Township Country Club. The winners are listed on another page. I really enjoy the golf outing because we always get to have a little fun with our grads, some of whom are pretty good golfers, too! Look on the following pages for info about our next golf outing.

We also had our All-Year Reunion on September 23, 2023 which turned out pretty well, even though the weather did not allow us to go outside. I don't know about anyone else, but when I go to these reunions, I find the world is very small indeed. I always know someone who knows someone that I know that I never knew about. The point is that there are a bunch of your old neighbors and friends that come out to this event, so this year we hope to see you. Look in the next few pages for more info about our upcoming All-Year Reunion.

This year is the 100th anniversary of our high school, according to history records, the first one-room school, erected in 1823, was torn down in favor of a two-room school building in 1893. A third room was added in 1918 and a fourth room was added in 1923. The four-room building housed the first Bensalem Township High School and two elementary groups.

The first graduating class, the Class of 1925, consisted of five students. The records also show that in July 1923, Samuel K. Faust was invited to take charge of the district for the express purpose of organizing a high school. Previously, high school age students who lived in the Cornwells Heights area were sent to other high schools in towns nearby, such as Bristol, Langhorne, Jenkintown, and Frankford.

Mr. Faust served as Supervising Principal of Bensalem Twp. Schools and as the first Superintendent of Schools from 1923 until his death in 1940. In 1954, Bensalem Twp. High School was re-established at its new building and location at 2201 Street Road. In September 1969, the new Bensalem High School, located at 4319 Hulmeville Road, opened its doors. A flag raising ceremony was held on September 10, 1969, the corner-stone was laid on May 13, 1970, a formal dedication of the building was held on May 15, 1970, and an open-house program for the community was held on May 17, 1970.

On March 2, 2024 the Bensalem Township School District held a 100-year anniversary to celebrate the first graduating class. This was held at Celebrations in Bensalem. Some of the attendees were: as newly appointed interim principal Geoff Per, Congressman Brian Fitzpatrick, State Senator Frank Farry, County Commissioner Gene DiGirolamo, State Representative K. C. Tomlinson '07, School Board Directors Marc Cohen and Kim Fankhouser Rivera '77, Bensalem Council Ed Kisselback, Joe Knowles, Stacey Champion, Michelle Beniez, and retired State Senator Tommy Tomlinson '64. It was great to see a bunch of people all there to support our school district.

ATTENTION CLASS OF 1974: a new tradition of the graduates at Bensalem High School is that alumni from the class 50 years previous are invited to attend the graduation ceremony. Class of 1974, keep your eyes peeled for more information about this and also our 50th reunion.

President's Message

Continued from page 1

We only mail out our newsletter to dues-paying members. The cost was just too high to send to everyone. So be sure to pay your dues to receive the newsletter. Dues are \$12. We have a few different clubs that you can join by paying your dues. Dues \$25-\$49 will get you in the Grey Owl Club. Dues \$50-\$99 is the Blue Owl Club. Dues \$100+ is the Golf Owl club. We also accept donations made for our In Memory section of our website. See the next page of the newsletter for more information.

Our Veterans Wall continues to grow. We now have over 1,700 names! If you know someone who served, we need to hear from them that they served and want to be on the wall. So be sure to ask them to contact us so we can get them a deserved spot.

We now have research conducted on our classes completed from 1925-1943. All those graduates have been accounted for, and we are still finding more and more veterans for our wall. Teachers are being researched as well. Most of the teachers from 1923-1959 have been accounted for.

Our website continues to be updated with names of our alumni. We have over 29,000 names on our site with graduation pictures for each person. We have over 22% of all alumni with a profile on the site. This is incredible to me. When we first started this site, I thought that the best we could ever do was about 18%. To get this many on there, considering that we continue to grow with usually over 500 new graduates each year, is awesome. If you have not been to the site lately, check it out at www.Bensalemowls.org. If you happen to be involved with classmates.com, THAT IS NOT US! Bensalemowls.org is our official website, and is safer in terms of privacy than Facebook, though we do have a Facebook site, too. Funny that these social sites help keep us all connected.

We also have an In Memory section for all those who have passed. If you know someone who has passed away that was an alumnus, let us know and we will add their name to our site. We

try very hard to get an obituary or some information for them. When someone makes a comment under a name or there is an obituary posted, the person will then get a rose by their name instead of **. We try very hard to get everyone a rose. Please take a little time reviewing the In Memory section and see if you can help someone get a rose.

Another little thing that comes up sometimes is people report finding high school rings and ask for our help in tracking down the owner. Well, recently we received a message from someone who found a Bensalem High School ring in a Texas oil field! We tracked down the owner, and he picked up his ring that he had not seen in over 30 years. We have also helped long-lost relatives find each other in 2022 thanks to our research. We think that's pretty good.

Thanks again to all who have helped support our organization. We do this for the kids, but it is good for everyone in our community.

Ray

Ray Guim, President

From The Board: On January 20, 2023, we lost Dolores Tilley Hansen. She and Jack helped found this organization. Dolores served on various positions (treasurer and vice president), and was instrumental in organizing our golf outings. Our organization would not be what it is today without all Dolores did. May she rest in peace.
